

There are smart investors. And smarter investors.  
The difference? Just a few questions.

**“Are you a licensed broker?” “Is that investment registered?”**

Visit [SaveAndInvest.org](http://SaveAndInvest.org) to find out how to ask the right questions—and check out investments—before you make important investment decisions. There’s no sales pitch. No confusing advice. Just free, unbiased tools and information from the financial authorities at the FINRA Investor Education Foundation.
